

# Intelligence: more than ever a Strategic Resource!

**W**ould you like to quickly acquire the most comprehensive information, easy to use to **take the right decision?**

Would you like to be informed about your competitive, economic, technological environment and know the needs of your market?

**Strategic Intelligence** is there to meet these requirements, it is critical to survive and to grow in an economic world more global than ever, changing constantly and rapidly. It just makes economic sense.

Please find a description of my services within my [brochure](#) and by visiting my website [www.csintell.com](http://www.csintell.com).

**C**ontact me today and I would be very happy to make a proposal that meets your needs for Strategic Intelligence, stressing that my services are based primarily on a **success fee**, which ensures that the fees will be based on the results obtained.

**CSIntell** aims to meet exactly those needs for Strategic Intelligence in a concise and intelligible way. I propose to gather the information you need, so you can concentrate on your core activities and focus on your objectives.

## Outsourcing for better intelligence

with the 3 'i' methodology of **CSIntell**

## A few words from clients...

*"During his years at IBA, Paul-Emmanuel was very helpful in bringing **detailed analysis** on markets and competitors. In addition he developed a process to help us better structure our strategic intelligence system. I was **impressed by the quality of information** he provided, so well reported, concisely and clearly."*

**Pierre Mottet**  
CEO, IBA  
(Belgium)

*"Paul-Emmanuel always made very **sharp** and **detailed** analyses on companies. His financial reports have been **truly instrumental** in helping better understand the businesses we were looking at."*

**François Blondel**  
CEO, IBt  
(Belgium)
